

OASFAA Executive Board  
Special Meeting & Votes – Ballot Approval  
November/December 2012

On November 20, 2012, President Donna Fulton submitted the following information via email delivery to the OASFAA Executive Council:

Greetings Everyone

Suzie worked long and hard and has come up with the following candidates for the ballot. We need to approve the ballot before we can move forward. Once the ballot has been approved Suzie will gather candidate statements and pics for the official ballot.

I am looking for any discussion on the proposed candidates, a motion to approve, and a second so I can call for a vote.

To get the discussion started - I think we have a very capable set of candidates. Any other thoughts?
